

Preliminary Amendment re: 09/933,743Page 15 of 15Remarks

The specification has been amended to correct several minor typographical and grammatical errors.

New paragraph [0020.1] has been added to the Summary of the Invention section of the specification. This paragraph adds a summary of new claim 37 to the Summary of the Invention and is submitted to include no new matter.

Paragraph [0085] of the specification has been amended to add "y is the parameter value measured for the calibration battery". The Applicant submits that this adds no new matter. Paragraph [0081] of this application, as originally filed, included a similar definition of y.

Claims 3, 6, 9, 10, 12, 14, 18, 24, 26, and 27 have been amended to correct minor typographical and grammatical errors.

New claims 37 to 40 have been added.

The Applicant submits that no new matter has been introduced by these amendments..

The Applicant looks forward to receiving favorable action on this application.

Respectfully submitted,

OYEN WIGGS GREEN & MUTALA
